Applicant: Please read and sign below

I hereby certify that I have read and examined this document and know the same to be true and correct. I understand and agree that the work for which the permit is issued shall be performed according to the State Building Code and applicable city approvals, ordinances and codes. I further certify that I am the owner or the owner's authorized agent and that the proposed work is authorized by the owner. I understand that the work shall not begin until permit is issued, that I am responsible for calling for all required inspections, that work shall be accessible for the inspection, that a final inspection approval and Certificate of Occupancy are required prior to occupying the building. This permit shall become invalid unless the work authorized is commenced within 180 days after its issuance, or if the work authorized by such permit is suspended or abandoned for a period of 180 days.

Separate permits are required for Building, Mechanical and Electrical work
