SPOTLIGHT BOOK CLUB

With Janice Jordan

Beginning in 2000, The Plymouth Community Center Book Club has waxed and waned from more than 20 members to only three. The early Book Club boasted two hostesses serving coffee and snacks plus one member volunteering to lead the month's discussion. The original plan was to choose books available at local libraries making the cost of the books a nonissue.

Many of these traditions remain; members choose a book for each month with one being written by a local author one being a classic. The genre varies with historical novels being a favorite. The Pandemic has proven a challenge as has the current remodel of the Plymouth Community Center. Members bring their own beverage. Snacks and drinks will be available soon at the Center. The discussion is lively with many viewpoints. Anyone is welcome to join us on the first Wednesday of each month from 1:30 - 2:30PM. February's book is American Dirt and March's is Peace Like a River by Minnesota Author Leif Enger.
