Re: Carlson Pkwy and 6th Avenue Street Improvements

Dear Property Owner/Current Resident:

The City of Plymouth will no longer be making improvements to 6th Avenue and Carlson Parkway during the 2023 construction season. These improvements were proposed in 2021 to be included with the Gleason Lake Drive, Niagara Lane, and Kingsview Lane project, but have since been removed from the project and placed back onto the City's Capital Improvement Plan for a future project. Notification of the future project will be sent at a later date prior to construction.

Please contact either of the individuals below with any questions, concerns, or comments.

Sincerely,

CITY OF PLYMOUTH
