Dear Property Owner:

As noted on the enclosed notice, a public hearing has been scheduled for the May 23, 2023 City Council meeting for the proposed Nathan Lane Area Pavement Rehabilitation Project. At this meeting, the City Council will consider ordering the improvement, adopting the assessments, and awarding the contract for the work related to the reconstruction project. A map showing the streets included in this proposed project can be found on the city's webpage for the project at www.plymouthmn.gov/nathanarea. Improvements proposed with this project include grinding and removal of existing pavement, installation of new pavement, spot curb and gutter replacement, utility improvements, and roadway and intersection realignment.

The City Council has adopted an assessment policy that assesses adjacent, benefitting property owners a portion of the cost of the improvement. Sincerely,

Any assessed property owner meeting the requirements of this law may, within 30 days of the confirmation of the assessment, request of the City Clerk the form for such deferral of payment of this special assessment on his property.
