*In Classroom 2B in the Education Wing of the
Community Center*

Plymouth Boulevard, from Highway 55 to Rockford Road, is planned to be reconstructed starting in the spring of 2024. We reached out for feedback earlier this year, and have incorporated much of what we heard into the vision of the City Center 2.0 Study.

Please join us for an open house that will provide information on the current design and what to expect from the improvements. In addition, attendees will have an opportunity to learn about construction details and offer additional input.
