Subject: 2024 Street Rehabilitation Project, City Project ST249002
Construction Beginning Soon

Dear Property Owner,

The city awarded the contract for the 2024 Street Rehabilitation Project to Northwest Asphalt, Inc. on April 9, 2024. The project includes the streets south of and including Schmidt Lake Road, west of Highway 169, north of Rockford Road, and east of and including Nathan Lane (see figure on back).

The contractor plans to begin in Phase 1A (Highway 169 Service Drive and 45th Avenue between Nathan Lane and Highway 169) in late April or early May. The road work within Phases 1B, 1C, and 1D will commence sequentially.

The city's construction inspector, Moe Omer, will be onsite regularly during construction and is available to answer questions. His contact information is below. More information regarding the project is available on the project webpage, plymouthmn.gov/2024streetrehab. Construction and schedule updates will be posted on the project webpage on a weekly or bi-weekly basis once construction is underway. There is also an option to sign up for email updates. If you have any questions regarding the project, feel free to contact myself or Moe.

Sincerely,

A handwritten signature in black ink that reads 'Tony Miller'.
