Subject: 2024 Street Rehabilitation Project, City Project ST249002
Construction Beginning Soon

Dear Property Owner,

The city awarded the contract for the 2024 Street Rehabilitation Project to Northwest Asphalt, Inc. on April 9, 2024. The project includes the streets south of 32nd Avenue, west of and including Zanzibar Lane, north of and including 26th Avenue, and east of Dunkirk Lane (see figure on back).

The city's construction inspector, Moe Omer, will be onsite regularly during construction and is available to answer questions. His contact information is below. More information regarding the project is available on the project webpage, plymouthmn.gov/2024streetrehab. Construction and schedule updates will be posted on the project webpage on a weekly or bi-weekly basis once construction is underway. There is also an option to sign up for email updates. If you have any questions regarding the project, feel free to contact myself or Moe.

The utility (minor storm, sanitary, and water) work within Phase 2 will also be starting in June. Once the utility work is completed, city forces will do the milling and paving, likely in July.

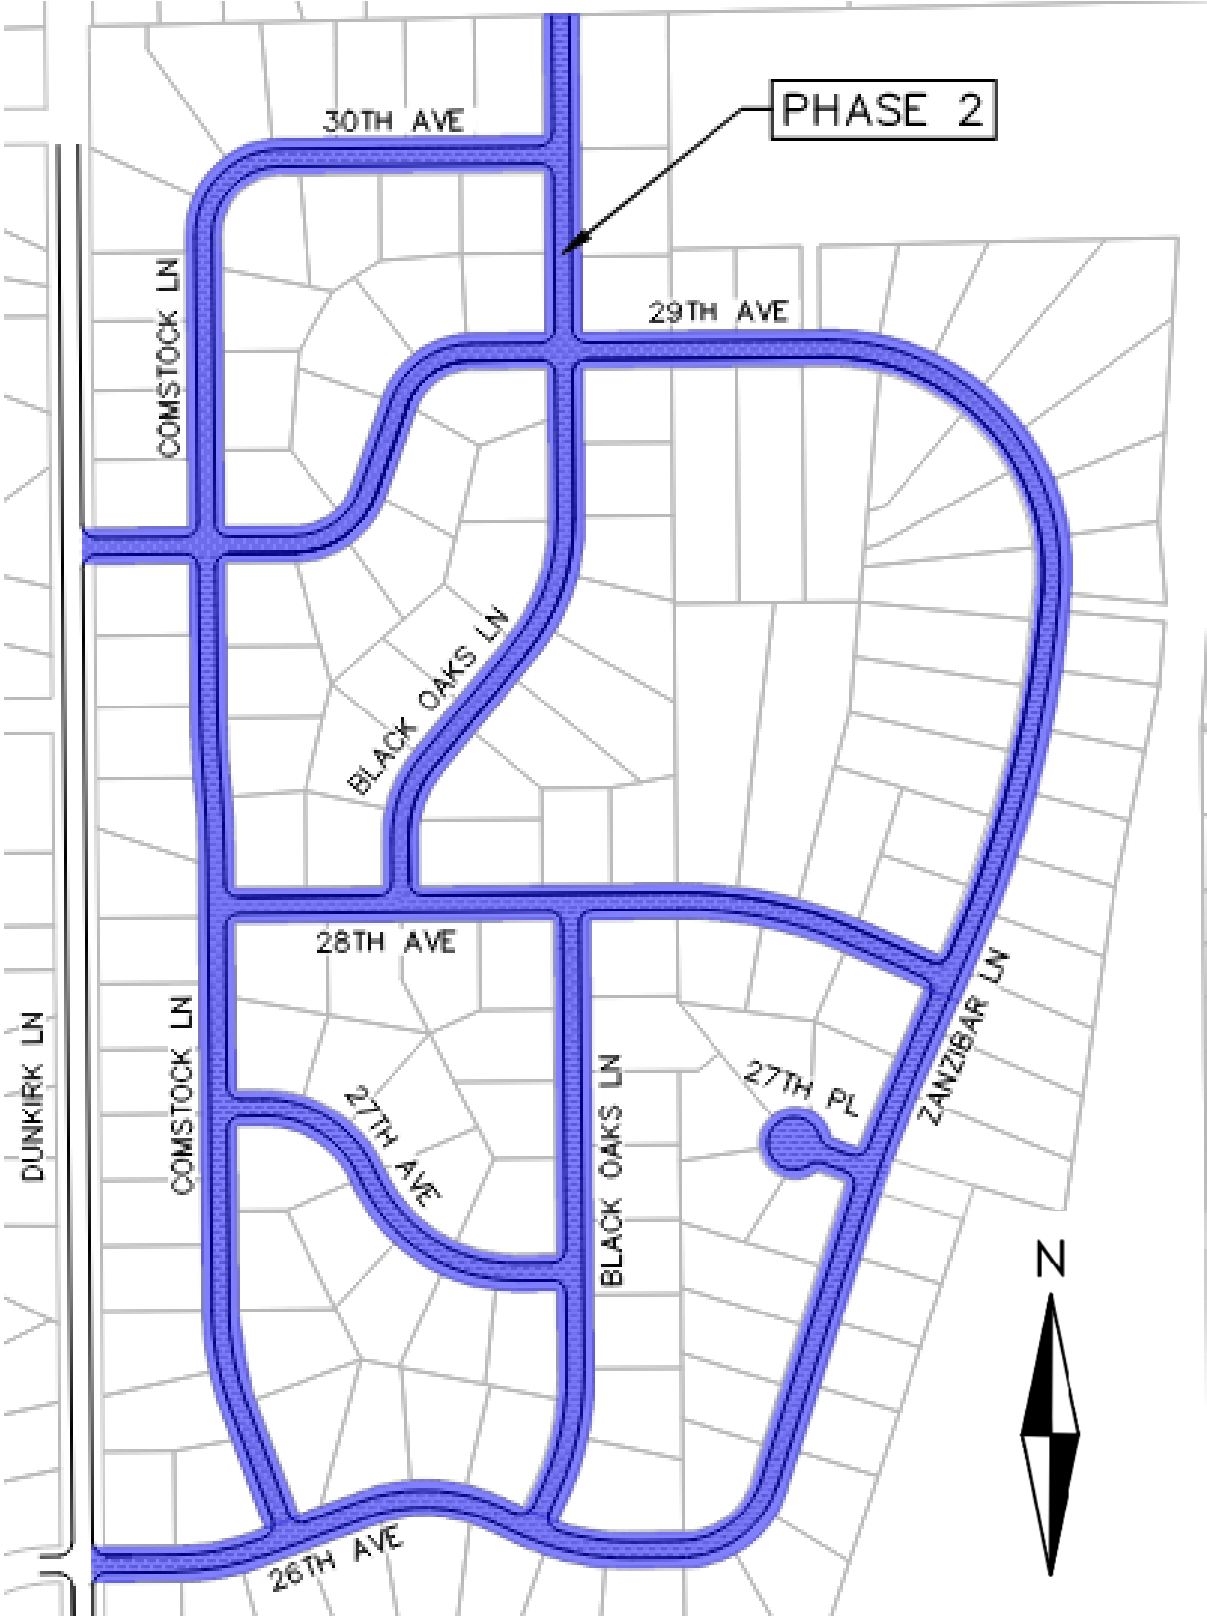

Sincerely,

A handwritten signature in black ink that reads 'Tony Miller'.
