|     | Availability of Information. In addition to the items listed in this form, PHAs must have the elements listed below readily available to the public. A PHA must identify the specific location(s) where the proposed PHA Plan, PHA Plan Elements, and all information relevant to the public hearing and proposed PHA Plan are available for inspection by the public. Additionally, the PHA must provide information on how the public may reasonably obtain additional information on the PHA policies contained in the standard Annual Plan but excluded from their streamlined submissions. At a minimum, PHAs must post PHA Plans, including updates, at each Asset Management Project (AMP) and main office or central office of the PHA. PHAs are strongly encouraged to post complete PHA Plans on their official websites. PHAs are also encouraged to provide each resident council a copy of their PHA Plans. |                  |                                |                                    |    |                |  |

#### D. Affirmatively Furthering Fair Housing.

(Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) .... Strategies and actions must affirmatively further fair housing ...." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D.; nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year PHA Plan. The 5-Year PHA Plan provides the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low income families and the progress made in meeting the goals and objectives described in the previous 5-Year Plan.

Public reporting burden for this information collection is estimated to average 1.64 hours per year per response or 8.2 hours per response every five years, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.
